Testimony Opposing HB 511
Before the House Taxation Committee
March 6, 2015

Chairman Miller, Members of the Committee:

For the record I am Dr. Claudette Morton of Helena, representing the Montana League of Women Voters. The League supports full funding of state mandated programs in our public schools. Therefore, we oppose HB 511 on the grounds that these tax credits will take money away from public education. We urge the committee to study the fiscal note for HB 511 and vote no on this bill.

Thank you.
